

**ARE YOU INTERESTED IN ATTENDING A SQUASH MARKING COURSE AT CROWBOROUGH SQUASH CLUB?**

**A marking and refereeing course is being run at Crowborough Tennis and Squash Club on Wednesday 22 October 2008, starting at 8.00pm and probably finishing about 9.45pm.**

**This is an important and interesting aspect of the game, of which we should all seek to improve our understanding. Everyone will have witnessed controversial decisions made by the marker during matches and - perish the thought - arguments between players over strokes and lets.**

**A better appreciation of the issues involved helps to make for better squash and better squash players!**

**The course will be run by Ian Wright, well known in squash circles and a qualified England Squash referee instructor. You do not need to bring kit as this is a classroom session, not involving court activity.**

**The cost will be a modest £4 a head.**

**All comers are welcome whether or not Crowborough members.**

**If you would like to come please e mail Mike Tonge on [TongeofTonbridge@aol.com](mailto:TongeofTonbridge@aol.com) or phone 01732 364831 or 07780 514717**
