

Match report from the Ladies County Captain following a resounding success!

On the 9th and 10th of November Sussex Ladies battled against Avon, Somerset and Hampshire. We knew it would be hard but with our strong team of Hannah, Zoe, Katie, Kelly and Jade we couldn't lose!!

First match we played Avon who couldn't seem to get near us, with our first win of 4-1 under our belts we were confident. Katie Hanley lost at 3 but had a great game.

Later on that day we played our rivals Hampshire the one team Sussex had to beat that weekend. With one of their stronger players unable to play that afternoon we played against a slightly weaker side. Again another 4.1 win!! Zoe lost to Bev a very experienced tricky player but Zoe put on a good show!

Sunday morning we were against Somerset. We knew we were in a great position for promotion play offs after Saturday's success. Somerset were only able to field 4 players which gave our number 5 a chance to watch the action. Again Sussex proved to be to strong and pulled ahead 4-1 with me losing at 1 3-2 to a girl a little younger than myself!!

A very successful weekend had by all. Well done to Sussex Ladies who now face promotion play offs in March.
