## **SUSSEX 040 LADIES INTER-COUNTY MATCH 12 OCTOBER**

The girls have got this season off to a great start with the first match being hosted by Hampshire at Winchester Rackets Club on Sunday 12 October.

With a fairly strong Sussex side with good strength and depth we were confident and optimistic in competing well.

With Cambridge a player short due to injury we took on our first match to take a 5-0 victory and then a tighter match against Hampshire with a 3-2 win.

Great start - well played girls!
