Details of all sessions will be **confirmed by e-mail** during the week before each Squad, and **ALL PLAYERS/PARENTS ARE ASKED TO PLEASE REPLY re. their availability**, so that the Coaches can plan the sessions, confirm court bookings, and make places available to any Reserves etc.

PLEASE NOTE:

All players who are involved with Sussex activities, and especially those who are in line for a Team place, are expected to make a committed effort to attend all the Sussex Squads, unless there is a

pressing reason to miss a session – regular attendance assures better continuity, more sustained improvement, and better team spirit. The Schedule has been drawn-up to allow players to attend County, Regional, Aspire, and National Squad Training, wherever possible, with a minimum of clashes, and to avoid any Tournament Silver Events, or very local Bronze Events (as players are encouraged to support these competitions), so that all our players are able to benefit to the maximum. This, in turn, necessitates scheduling some Sussex Squads on weekends when there are less local Tournament Bronze Events taking place, and please note that sometimes the ‘A’ and ‘B’ Squads have been swapped to the Saturday. The aim is to encourage all Juniors to fully utilise the coaching opportunities offered to them, in order to keep developing their game, whilst selectively entering tournaments, for the enjoyment and experience of competition which they provide, together with gaining some ranking points!

POTENTIAL TEAM PLAYERS – Please reserve the Inter-County Dates – Stages 1, 2, and Finals.

- . Eye Protection MUST be worn at all sessions.**
- . The England Squash & Racketball Code of Conduct shall apply at all times.**
