There is a **G.S. Super-Squad each School Holiday**, and as I always point out, this whole day format is simply 'the best', giving time to thoroughly explore, and progress the theme in question, but allowing for a tournament to finish off - it is the one which I utilised so readily during my many years as London & Southeast Regional Coach, and whilst running the Junior National Squads. I very much hope that most of you enthusiasts will relish a whole day's Squash, and appreciate the amazing value, but if anyone thinks it sounds too much, you will be amazed at how quickly the day goes by. I promise you will improve, and you just might enjoy it too! Don't miss this great opportunity.

Hope to see you there.
