

## **NATIONAL FINALS HERE WE COME!**

The Sussex Junior Teams enjoyed great success at the weekend, in **Stage 2 of the England Squash Junior Inter-County Championships**, when the **Under 19, Under-17, and U-13 Boys all won their groups, to secure a place in the National Finals in January**, when all three should be realistically in contention for further honours. The **Under-15 Boys** just missed out, losing 3/2 to Essex, and the **U-19 Girls** had to withdraw as players were unavailable, a particularly disappointing situation, as it was potentially the same team who won the title last year. We had two **Under-11 Boys' Teams** in action, and they both performed with great credit against stiff opposition, whilst the Under-15 Girls won through to the National Trophy Final, and both the **Under-13 and Under-11 Girls** battled very well to win one and lose one in their leagues.

The details of both Teams and Results are to be found on the **League Master Website** < [junioricc.leaguemaster.co.uk](http://junioricc.leaguemaster.co.uk) >, and a few Team Photos should be arriving soon.

**Well Done and Many Thanks to all who were involved with this Stage 2 success** - Players, Parents, Team Managers, and all Supporters play such a crucial role in the overall Sussex team effort, and I very much appreciate it.

Now let's all prepare for those National Finals.
